INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

 I passed Indian blood and
 I was 13 years old when I

that my allowance depended greatly

 she did not state that there
 were on the Roll or were not
 on the Roll I feel sure that
 there were in there but if they
 are not please don't discard
 me until I can have a chance
 to show why it should be placed
 on such Roll. I know two
 gentle men one of them was a slave
 before the war and was a neighbor
 of his and knew his nationality
 to be American and that he was
 from Tennessee in 1830 to

Texas and as Texas was an Indian
Reservation at that time I preferred
to live in Texas and my mother
told me from my cradle up
that my people were cheyennes and
that they came from Tennessee in

My name is Wm P. Porter, and I live in Oscar, Okla. I am 70 years old. I know Martha A. Henry, she is no relation of mine, and I have no interest in any claim she may have against the Government. I knew her father, Obidiah Simmons. He lived in Van Sandt, the adjoining County to the one I lived in. I remember old Mr. Simmons very well. I have heard him claim Cherokee Indian blood, and he was always recognized him as being part Indian. I also knew his father Benj. Simmons. He showed his blood plainly and could easily have been 3/4 Indian. They came in from Tenn. in ~~xxxx~~ about 1855-6, went to Okla. for a little while, and then came on into Tex. At the time of which I speak Tex. was thinly settled and Benj. was regarded as one of the old settlers. There were more Simmons connection of the old man Simmons, but I do not know their names nor just where they were located..

My name is Martha A. Henry, and I live in Bowie, Tex. I am 52 years old. I claim my Indian ancestry through my father, Obidiah Simmons. My father died in 1858. He died in Van Zandt County, Tex. He came to Tex. about 1836. I have heard my mother say that my father came from Tenn. I do not know from what county. My mother's people came to Tex. from Tenn. in 1842, and I have heard her say that my father's people came several years before that, about in 1835 or 1836 I think. My mother has often told me that my grandfather was 3/4 of more Indian. My grandfather's name was Benj. Simmons. He lived and died in or near Van Zandt County, Tex. I reckon he came west when my father did. I never heard my mother say to what extent my grandfather was recognized by the Indians.

My oldest son Macy H. Henry, born in 1878, is of unsound mind, and has spent some time in an asylum, and was discharged as incurable. He is now home, but is no better. He is as dependent as a child, and I hereby ask that he be included with my minor children in the consideration of my claim.

My name is Rebecca Elliott. My age 48 years. I am the mother of John Elliott. My husband was Ben Elliott. He has been dead about 16 years. He was about 40 when he died. He was born in Cherokee County, N. C. He claimed to be part Indian. He claimed Indian blood through his father, Jason Elliott. I never knew Jason Elliott. He was never known by any other name. He said his grandfather was a full blooded Indian and his grandmother half. He said they were Cherokee Indians. One brother was named Isaac, Dan and James Elliott (to my husband). He said Jason Elliott lived in Cherokee County, N. C. I never heard my husband say whether he received any money as an Indian. I never heard of Jason Elliott drawing any money in the community. My husband was considered a white man. I never heard of his father drawing any money. My husband lived with his uncle Ben Harrison after his father died. He also lived in North Carolina.

Appl. #33066-25648

John E. Dowdy being first duly sworn, deposes and says:

My name is John E. Dowdy. I live at E. F. D. #1, Dalton, Ga. I was born in 1869 in Lumpkin Co., Ga. I claim Cherokee Indian blood through my father and ~~his~~ mother. My father is living but has not filed an application. He is 80 odd years old. I don't know why he did not file an application but I guess it is because he is drawing enough from the Govt. as a pension from the war. My father was born in Hall Co. Ga. He is 82 years old. I can't tell you where my grandmother through whom I claim my Indian blood was born and raised. My grandmother on my father's side was Mary Bird before she was married. My father said that his mother had Cherokee Indian blood. My father went to Cal. in 1849 and stayed about ten years. He lived here all the rest of his life. My grandmother, Mary Dowdy lived in Lumpkin County part of the time and part of the time in Hall Co. G. In 1882 I was living in Lumpkin Co., Ga. I never heard of my father and my mother getting any money or land from the Govt. on acct. of their Indian blood. My father was living in Lumpkin Co. in 1882. My father and his mother always lived with the white people. I have heard my father speak about being here when the Indians were taken away from here, but he did not go with them. I never heard him say why he did not go with them. They did not make my father go away with them. I think my great-grandfather's name on my father's side was John Bird. I have a brother, Alfred ~~xxxx~~ M. Dowdy. I don't know whether he has filed an application or not.

My name is Permilia Hairston, and I 71 years of age, and I live in Amory, Miss. I have lived here about 20 years. I was born in Guinette County, Ga. I was grown when I left that County, and we have moved about ever since. I claim my Indian descent through my mother, Drusilla Green, and she has been dead ~~about~~ about 20 years. She died in Claybourn County, Ala. She was about 63 years old at the time of her death. I was with her most of the time until her death. She used to often talk about her Cherokee blood, and was very proud of it. I do not know what part of the country my mother was born in. My grandfather, John Green, died when I was a child, possibly not more than ten years old. He died in Guinette County, Ga. He was a pretty old man at the time of his death. I do not know for sure where he came from when he settled in Guinette County, but I do not think he was born in this County. I have heard my mother say that she was 1/4 Cherokee Indian. And it was commonly accepted that my mother and grandfather were part Indian. The Indians having been driven out of Guinette County at the time I can remember I do not know whether grandfather visited there or not but I suppose he did. There were no full blood Indian in this County at the time I was a child, for they had been mostly driven out of that section of the country. I know my grandfather was mixed blood Indian. I have had people tell me ~~as~~ as soon as they looked at me that I was part Indian.

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, did you, your parents, or grandparents ever reside with the Cherokee tribe? If so, state when and where. Were you, your parents and grandparents recognized as white people, Indians or negroes in the communities in which you and they have resided?

Why was the parent through whom you claim not enrolled in 1851, and where was he or she residing in 1834-35, if living at that time? Where were your grandparents on the side through which you claim residing in 1834-35?

If your parents or grandparents were slaves, state whether slaves of Indians or white people.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. SEP 13 1909
No. 33433

Baron Ekla

Sept- 7th 1907
Mr. S. Miller

Dear Sir:

I saw where you were hearing
cases for children born
since Sept- 1906 and we
have one born March 20 1907
and our understanding was
that we had until the 15th
of this month to make an
application for them
in getting them on the
emigrant rolls. so on the
1st day of this month we
went before a notary public
to fix up the claim for

Our minor child ~~is~~ and
he informed us that the
time had expired. so
we just decided to
write you and see if we
could do this yet as
there was a misunderstanding
about the date.

So let me kindly hear
from you at once.

Yours Truly
Jennie Jones

Child's name is
Mattie Jones

Andrew Gillam being first duly sworn deposes and says, I live in Cass Co. I am 62 years old. I was born in Rush Co. Ind. I have not filed an application in this case. I know Hallie Chavis, Application No. 33469. She is my niece. I know Arena Higgins Application No. 35327. She married my half brother. Hallie Chavis father was named Hage B Boughton and he was my half brother. We had the same mother. My mother had Indian blood. She was born in North Carolina, but I do not know just where. She died in 1873 and was about 60 years old. She married a man named Boughton in North Carolina, they moved to Indiana where he died, and then she married my father. I had one full brother older than I who is dead. I do not know when my mother moved to Indiana. My mother told me that her father's name was Bass, I do not know his given name. I think she got her Indian blood from him.

Madam:

The application which you have filed on behalf of your two children for participation in the funds arising from the judgment of the Court of Claims in favor of the Eastern Cherokees contains practically no information concerning their ancestry. You are, therefore, requested to furnish this office at once with the following information:

1. The names of the parents of these children, also the names of their grandparents on both sides.
2. Name of the ancestor through whom these children claim the right to share in this fund, where that ancestor lived in 1835-6 and 1846, and whether or not he or she was party to the Treaties of those dates.
3. Were any of these ancestors ever enrolled; if not, why not?
4. Do you pass as white or colored in the community in which you live?

Unless you furnish the information requested above, this claim must be rejected. Refer in your reply to No. 33475.

Guion Miller, Esq.,

Washington, D. C.

Dear Sir:-

Referring to your letter of the 17th inst., with reference to claim of Oliver M. Allen, of Denver, Colo., Eastern Cherokee, I am informed by Mr. Allen that he sent forward his application to your office about the tenth of this month, certainly between the 1st and the 15th.

When your letter of the 17th inst. was written the application had probably not reached your office or had not been indexed. I would now thank you to advise me definitely that the application has been received, and also as to whether or not the claim had been noted on favorably by you or what disposition you had made thereof.

Thanking you for your kind attention, and asking that you write me care of H. of R., this city, I am,

Very truly yours,

R. W. Banyard

H. C. First Congressional District.

App. #33482.

September 5, 1907.

Hon. R. W. Bonyngs,
House of Representatives,
Washington, D. C.

Sir:-

Replying to your letter of August 31, 1907, you are advised that the application of Oliver Wallace Allen, of Denver, Colorado, has been received and filed as No. 33482.

The applications for participation in this Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not Mr. Allen is entitled to share in this fund.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

NLC.

Special Commissioner.

Dear Sir:-

Will you kindly advise me whether or not you have made any final report as special commissioner to the Court of Claims regarding the claims of Eastern Cherokee Indians.

I am interested in the claim of Oliver W. Allen, who is a constituent, and would thank you to advise me when you expect to make a final report covering his claim, if your report has not already been submitted.

Thanking you very much in advance for your kind attention, I am,

Sir:-

I have the honor to acknowledge receipt of your letter of November 23, 1907, relative to the application of Oliver W. Allen for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees.

In reply you are advised that I have made no final report to the Court of Claims, and cannot do so until all applications on file have been considered.

This will necessarily take some time as there are over 44,000 applications on file, and in many cases it will be necessary to go into the field and take testimony.

Mr. Allen will be notified if there is any further information required in connection with his application, or of any final decision in his case.

Clarence Arthur Taft, after being first duly sworn, deposes and says:

I am 27 years of age; was born in California. I claim Cherokee Indian blood through my mother. She was born in California. She was born in 1857. My grandfather was a white man and my grandmother was an Indian. It seems to me that she was born in Tennessee. She was brought to this country and settled here. My grandmother went to California in 1854. Her name was Nancy Martin. She was first married to Martin and then to White. In 1852 her name was Nancy Martin. I never heard her Indian name if she had one. My grandmother was brought here when very young. Her father's name was Fox Taylor. He was an Indian. My grandmother lives in California and has in her application. Her name is Nancy White. ~~She mentions~~ My grandmother was not married when she went to California.

James Lowrey, being first duly sworn, deposes and says:
My name is James Lowrey. I live at Bryant, Ala.
I was born in 1875 near Bryant, Jackson Co., Ala. I claim to
be connected to the Cherokees through my mother and her father
and his mother. My mother died in 1889. She was born in 1851
or 1852. in Bridgeport, Ala. My grandfather's name was William
Reece. He came from East Virginia. I don't know what his
mother's name is. She is the one I claim my Indian blood through.
I don't know where she came from. My mother and her father were
recognized as Indians where they lived. I have ^{heard} my father say he
has heard about the family coming to visit them. I have never
heard of my mother or grandfather living with the Indian tribe.
I never heard of my mother or grandfather taking any part in
Indian proceedings. I never heard of them getting any money
from the Government. I never heard of them being enrolled.
My mother and I were living in Arkansas in 1882. I have heard
it talked of a treaty the Govt. made with the Indians in 1835.
I never heard my grandfather say anything about the treaty.
